1、《那地》选自音乐剧 西区故事 Somewhere from“West Side Story”

《西区故事》中的歌曲《Somewhere》是一首充满理想与哀伤的抒情曲，由作曲家Leonard Bernstein与作词家Stephen Sondheim创作。歌曲在剧情冲突加深、爱情面临破灭时出现，表达男女主人公对一个没有仇恨与偏见世界的渴望。“Somewhere”象征着现实中难以实现的和平与爱情，是对理解、宽容与人类共同未来的希望之歌，也因此成为整部作品中最具情感力量与象征意义的音乐主题之一。

The song "Somewhere" from West Side Story is a lyrical piece filled with idealism and melancholy, composed by Leonard Bernstein with lyrics by Stephen Sondheim. It appears at a moment when the conflict in the story deepens and the love between the protagonists faces collapse, expressing the longing of the two main characters for a world free of hatred and prejudice. "Somewhere" symbolizes the peace and love that are difficult to achieve in reality, serving as a song of hope for understanding, tolerance, and a shared future for humanity. As a result, it has become one of the most emotionally powerful and symbolically significant musical themes in the entire work.

2.《是否》 Whether or Not

《是否》是罗大佑创作的一首经典华语歌曲，以温柔克制的旋律和富有哲思的歌词著称。歌曲通过不断追问“是否”，表达了爱情中的犹疑、不安与对人生情感关系的思考，既是一首情歌，也是一段关于成长与内心探索的独白，展现了罗大佑早期作品深沉、理性而富有人文气质的音乐风格。

“Whether or Not" is a classic Mandarin pop song written by Dayou Luo, renowned for its gentle and restrained melody as well as its contemplative lyrics. Through the repeated questioning of "Whether or Not," the song expresses the hesitations and anxieties inherent in love, along with reflections on emotional connections in life. It serves both as a love song and a monologue about growth and inner exploration, showcasing the profound, rational, and humanistic musical style characteristic of Dayou Luo’s early works.

3.《爱之梦》Liebestraum No.3

《爱之梦》第三首是李斯特最著名的钢琴作品之一，完成于1850年。这首乐曲原是他根据德国诗人弗莱利格拉特的名作《爱吧，能爱多久》创作的艺术歌曲，后改编为钢琴独奏版本。

作为夜曲体裁的杰作，乐曲以一支如歌的深情旋律贯穿始终。它采用三段式结构：开篇在钢琴高音区奏出温柔倾诉的主题，仿佛宁静夜晚中对爱的渴望；中段情绪逐渐高涨，通过双手交错与和声变化将激情推向高潮；最后回归平静，在梦幻般的音型中缓缓消逝。

这首作品完美践行了李斯特“音乐与诗歌结合”的理念，不仅是技巧的展现，更深刻捕捉了爱的甜蜜与感伤，至今仍是音乐会中最受欢迎的钢琴小品之一。

Liebestraum No. 3 is one of Franz Liszt's most renowned piano works, completed in 1850. The piece was originally an art song he composed based on the famous poem "O Lieb, so lang du lieben kannst" (Love, as long as you can) by the German poet Ferdinand Freiligrath, and was later transcribed for solo piano.

A masterpiece of the nocturne genre, the piece is permeated throughout by a songful, deeply expressive melody. It adopts a ternary form: the opening section presents a tenderly confiding theme in the piano's high register, evoking a longing for love in the stillness of night. The middle section gradually intensifies, building passion to a climax through the interplay between the hands and harmonic shifts. Finally, it returns to tranquility, slowly fading away amidst dreamlike figures.

This work perfectly epitomizes Liszt's ideal of "uniting music and poetry." It is not merely a display of technical prowess but profoundly captures both the sweetness and the sorrow of love, remaining one of the most beloved piano pieces in concert repertoire to this day.

4.《西班牙狂想曲》Spanish Rhapsody

李斯特的《西班牙狂想曲》是钢琴文献中一部极具挑战性与色彩性的杰作，也是他晚期创作中展现民族主义风格的典范。这部作品完成于1863年，彼时的李斯特已从炫技演奏家的身份中退隐，转向更深入的创作与探索。该曲直接体现了他在伊比利亚半岛旅行时，对当地民间音乐的深刻吸收与热爱。

这首狂想曲的结构并不遵循传统奏鸣曲式，而是采用自由的、对比强烈的两大部分构成，如同一幅音画，徐徐展开西班牙的风土人情。乐曲的第一部分标为“行板”，主题取材于著名的亚拉冈霍塔舞曲。这一段落带有即兴性的前奏，旋律悠长而略带忧郁，李斯特巧妙地模仿了西班牙民族乐器吉他的音响效果——通过琶音、轮指般的音型以及丰富的踏板运用，营造出一种深情而神秘的夜色氛围。紧接着，乐曲毫无间隙地进入第二部分“活泼的快板”。这一部分以辉煌炫技著称，基于另一首古老的西班牙民间舞曲“弗利亚”进行变奏。李斯特在这里展现了令人眼花缭乱的钢琴技巧：急速的双音音阶、双手交错的八度进行、以及标志性的刮奏，将音乐情绪从沉静推向狂欢式的爆发。

总的来说，《西班牙狂想曲》不仅是对西班牙民族音画的生动描绘，更将民间素材与钢琴交响化思维完美结合的产物。它考验着演奏家的技巧与音乐表现力，至今仍是音乐会中展示辉煌技艺的热门曲目。

"Spanish Rhapsody" by Franz Liszt is a highly challenging and colorful masterpiece in the piano literature, and a prime example of the nationalistic style in his late compositional period. Completed in 1863, at a time when Liszt had retreated from his career as a virtuoso performer and turned towards deeper composition and exploration, this work directly reflects his profound absorption of and love for the folk music he encountered during his travels on the Iberian Peninsula.

The rhapsody does not follow the traditional sonata form; instead, it is constructed in two free and strongly contrasting sections, unfolding the customs and sentiments of Spain like a musical tone poem. The first section, marked Andante, is based on the famous Aragonese jota theme. This section features an improvisatory prelude, with a melody that is lyrical and slightly melancholic. Liszt masterfully imitates the sonorities of the Spanish national instrument, the guitar, employing arpeggios, tremolo-like figurations, and rich use of the pedal to create a deeply expressive and mysterious nocturnal atmosphere. This leads without pause directly into the second section, a Vivace marked by brilliant virtuosity. Based on variations on another ancient Spanish folk dance, the folia, Liszt here unleashes a dazzling display of piano technique: rapid double-note scales, hand-crossings in octaves, and his signature glissandi, driving the musical emotion from tranquility to an explosive, carnivalesque climax.

In summary, "Spanish Rhapsody" is not only a vivid musical depiction of Spanish folk culture but also a perfect synthesis of folk elements with a symphonic pianistic approach. It tests the performer's technique and musical expression, remaining a popular showpiece in concerts today, celebrated for its display of dazzling virtuosity.

5.《骷髅之舞》 Danse Macabre for two Pianos Op.40

圣桑的作品《骷髅之舞》，主要是引用的末日经来描绘中世纪的相关意境。《骷髅之舞》主要是围绕着一个神话传说而展开的：在万圣节当天的午夜时分，平常不会出没的鬼魂会聚集在一起狂欢，意味着魔鬼时刻的到来。此时，乐曲开始，钢琴准确的弹奏出12声，墓地的门在不断打开，死神缓缓从墓中爬出。音调从原本的E弦降低了半个调，使其与A弦减五度，展现出一种与现实不符的古怪气氛，形成脱离现实的效果。随后，响起可以刻画出的古板的圆舞曲。一架钢琴弹奏下行音，突出阴森的环境和氛围，另一架钢琴则利用上行音与前面的钢琴形成鲜明的对比，由两架钢琴旋律的变化和交替，来对死神旋律的变奏进行赞颂。音乐随着钢琴所演奏的旋律走向高潮，而后又归于平静，这表明着鬼神的舞蹈也逐渐变得热烈，接着随着黎明的到来而重新回到墓地。这时，只有钢琴发出几声轻微的尾音，再缓缓的隐去，太阳开始升起了……

Saint-Saëns' composition *Danse Macabre* primarily employs the Dies Irae melody to evoke a medieval atmosphere. The piece unfolds around a mythological tale: at the witching hour on Halloween, ghosts that do not normally appear gather for a wild revel. As this moment arrives, the music begins with the piano accurately striking twelve chimes; the cemetery gates creak open, and Death slowly emerges from his tomb. The pitch of the violin's E string is tuned down a half-step to form a diminished fifth with the A string, creating an eerie, unnatural interval that produces an effect of unreality. Subsequently, a stiff, grotesque waltz is heard. One piano plays descending figures, highlighting the grim and haunting environment, while another piano utilizes ascending lines to create a stark contrast. Through the change and alternation of melodies between the two pianos, variations on Death's theme are celebrated. The music builds to a climax with the piano's evolving melody, then subsides back into calm, depicting the spirits' dance growing ever more frantic before they must return to their graves at the break of dawn. At this point, only a few soft final notes linger from the piano, slowly fading away as the sun begins to rise…

6.《胡桃夹子组曲》 Nutcracker Suite for 2 Pianos op.71a

柴可夫斯基的《胡桃夹子》是一部经典的两幕芭蕾舞剧，完成于1892年，现已成为全世界最受欢迎的芭蕾作品之一。

这部剧取材于德国作家霍夫曼的童话《胡桃夹子与老鼠王》，音乐充满了童话色彩与奇幻想象力。故事发生在圣诞夜，女孩克拉拉收到一个胡桃夹子玩偶作为礼物。午夜时分，玩偶在梦中活了过来，率领玩具士兵与鼠王大战。获胜后，胡桃夹子变成了一位英俊王子，带着她游历糖果王国，享受了一场盛大的舞蹈盛宴。

作曲家后来从舞剧中挑选了八首乐曲，编成了一套 《胡桃夹子组曲》，成为音乐会上独立演奏的经典曲目。无论是全剧还是组曲，都凭借动人的旋律与绚丽的配器，成为了圣诞与新年音乐会的常客。

Tchaikovsky’s The Nutcracker is a classic two-act ballet, completed in 1892, and has become one of the most beloved works in the ballet repertoire worldwide.

The ballet is based on E.T.A. Hoffmann's fairy tale "The Nutcracker and the Mouse King," with music brimming with fairy-tale color and fantastical imagination. The story takes place on Christmas Eve, where a girl named Clara receives a nutcracker doll as a gift. At midnight, the doll comes to life in her dream, leading a band of toy soldiers in a battle against the Mouse King. After emerging victorious, the Nutcracker transforms into a handsome prince and travels with her to the Land of Sweets, where they are treated to a grand celebration of dances.

The composer later selected eight pieces from the ballet to create *The Nutcracker Suite,*which has become a staple independently performed in concerts. Both the complete ballet and the suite, with their enchanting melodies and brilliant orchestration, have become perennial favorites in Christmas and New Year concert programs.

7.《加洛普进行曲》Galop-marche a huit mains

这是一首快速的加洛普舞曲，风格热烈、辉煌、充满奔腾的动感。虽然名为“进行曲”，但它本质上是一首活泼的舞曲，常让人联想到马戏团、热闹的游行或盛大的狂欢。

This is a fast-paced gallop, exuberant and brilliant in style, filled with a surging, galloping momentum. Although titled a "march," it is essentially a lively dance piece, often evoking images of a circus, a bustling parade, or a grand carnival celebration.

8.《水母鸡》Zhuang children's song “Water Strider”

《水母鸡》是一首壮族民歌，歌词表达了对故乡的深深眷恋，旋律质朴而动人，犹如拇指般大小的水母鸡，轻盈地跃入观众的心扉。

“Water Strider” is a folk song of the Zhuang ethnic group. Its lyrics express a deep longing for one's homeland, while the melody is simple yet touching—much like the tiny, thumb-sized water strider itself, leaping lightly into the hearts of the audience.

9. 《直到遇见你》 Till There Was You

是由美国作曲家梅雷迪思·威尔逊（Meredith Willson）创作的一首经典歌曲,最初出自他于1957年创作的百老汇音乐剧《音乐人》（The Music Man）。

11.芭蕾舞剧《火鸟》选段 Selections from the ballet “The Firebird”

默尔·艾萨克改编的《火鸟》选段，是专为青少年管弦乐团量身打造的作品，成功将斯特拉文斯基这部划时代的作品，带给了更年轻的演奏者。

作于1910年的《火鸟》 故事源自俄罗斯民间传说，是斯特拉文斯基的第一部芭蕾舞剧，为后来的《彼得鲁什卡》与《春之祭》铺平了道路。该作通过引入若干斯特拉文斯基独创的作曲元素，改变了芭蕾舞的面貌，这些元素在他后续的两部芭蕾中得到了进一步发展。这包括原始主义风格——这是斯特拉文斯基最常被联想到的特质（如质朴的民谣旋律、宏大的音响、粗砺的和声块、敲击性的循环节奏）、频繁的节拍变换，以及反复出现的固定音型。1910年6月25日在巴黎首演时，观众对斯特拉文斯基的芭蕾处女作报以热烈反响，至今它仍是世界各地观众心中的挚爱。

This arrangement of The Firebird, adapted by Merle Isaac, is a work specially crafted for youth orchestra, successfully bringing Stravinsky's groundbreaking composition to younger performers.

Originally composed in 1910, The Firebird is based on a Russian folk legend. It was Stravinsky's first ballet, paving the way for his later works, *Petrushka* and *The Rite of Spring*. The piece transformed the landscape of ballet by introducing several compositional elements unique to Stravinsky, which were further developed in his subsequent two ballets. These include a primitivist style—the quality most often associated with Stravinsky (evident in folk-like melodies, massive sonorities, harsh blocks of harmony, and percussive, repetitive rhythms), frequent meter changes, and the use of recurring ostinato patterns. Premiered in Paris on June 25, 1910, the audience responded enthusiastically to Stravinsky's first ballet, and it remains beloved by audiences around the world to this day.

12.歌剧《纽伦堡的名歌手》前奏曲

Prelude from the opera “Die Meistersinger von Nürnberg”

歌剧《纽伦堡的名歌手》前奏曲，是德国作曲家理查德·瓦格纳创作的三幕歌剧《纽伦堡的名歌手》的第一幕前奏曲，首演于1868年。这部歌剧是瓦格纳创作生涯中唯一的成熟期喜剧作品，而这支前奏曲以其辉煌、庄重且充满活力的音乐，成为了音乐会上的独立经典。

与瓦格纳其它歌剧取材于神话传说不同，《纽伦堡的名歌手》讲述的是16世纪德国纽伦堡真实存在的工匠歌手行会故事，充满浓郁的人间烟火气与人道主义光辉。前奏曲精妙地浓缩了歌剧的核心矛盾与精神.乐曲中包含了代表严谨传统的“名歌手动机”、象征自由与情感的“恋歌动机”，以及后来由主角之一 Sachs 唱出的启蒙式动机。这些主题在音乐中交替发展，既展现了工匠歌手们严肃的行会气质，也流淌着市民生活的质朴热情。

瓦格纳运用了高超的对位技法，尤其在乐曲发展部，将多个主题叠置在一起，形成丰富的交响性，象征着艺术教条与自由灵感之间的碰撞与融合。整首前奏曲以雄伟的C大调写成，铜管乐器组在其中扮演了重要角色，营造出典礼般的辉煌感。同时，弦乐与木管的歌唱性旋律又赋予了音乐深厚的人情味。

这支前奏曲常被形容为一幅用音乐绘制的“文艺复兴画卷”，它不仅是歌剧的开场白，更独立地展现了瓦格纳对德国艺术与人性尊严的崇高礼赞。

Prelude from the opera “Die Meistersinger von Nürnberg” is the first-act prelude to the three-act opera of the same name by the German composer Richard Wagner. Premiered in 1868, this opera is the only mature comedy in Wagner's creative career, and this prelude, with its magnificent, solemn, and vibrant music, has become an independent classic in the concert hall.

Unlike Wagner's other operas, which draw from myths and legends, “Die Meistersinger von Nürnberg” tells the story of the historically real guild of Mastersingers in 16th-century Nuremberg, Germany, imbued with a rich atmosphere of everyday life and the radiance of humanism. The prelude masterfully condenses the core conflicts and spirit of the opera. It contains musical themes representing the rigorous tradition of the "Mastersinger motif," the "Love Song motif" symbolizing freedom and emotion, and the enlightening motif later sung by one of the protagonists, Sachs. These themes are developed and interwoven throughout the music, showcasing both the serious guild character of the Mastersingers and the simple, warm vitality of bourgeois life.

Wagner employs masterful contrapuntal techniques, especially in the development section, layering multiple themes simultaneously to create a rich symphonic texture, symbolizing the collision and fusion between artistic dogma and free inspiration. The entire prelude is written in the majestic key of C major, with the brass section playing a significant role in creating a ceremonial brilliance. Simultaneously, the singing melodies from the strings and woodwinds infuse the music with profound human warmth.

13.《华沙钢琴协奏曲》 Warsaw Concerto

这部作品是为电影《危险的月光》而特别创作的。电影上映后，《华沙协奏曲》打动了许多观众的心，为影片创造了意想不到的票房；如今，电影《危险的月光》已淡出人们的记忆，但《华沙协奏曲》却历久弥新，触动人们的心弦；这首协奏曲之所以扣人心弦，是因为它将大时代小人物的悲欢离合刻划得淋漓尽致，凄美的旋律加上迷离的音乐色彩，触动了听众灵魂的深处。

乐曲开头以钢琴强有力的和弦奏出一段主题，接着乐队奏出一段新主题，并加以变化重复四次后，钢琴再次奏出开头的第一主题。接着中段进入一段又一段优美的旋律，钢琴与乐队交相辉映，音乐的色彩变幻不断。再现部乐队再次奏响主题，音乐情绪更加激昂。结尾处，乐队突然停下，钢琴奏出开头的动机，乐队再次进入一起结束全曲。

This piece was specifically composed for the film Dangerous Moonlight. After the movie's release, the "Warsaw Concerto" touched the hearts of many viewers, contributing to the film's unexpected box office success. Today, the film Dangerous Moonlight has faded from memory, but the "Warsaw Concerto" remains enduringly fresh, continuing to stir people's emotions. The concerto is so profoundly moving because it vividly portrays the joys and sorrows of ordinary individuals against the backdrop of a tumultuous era. Its bittersweet melody, combined with elusive musical colors, strikes a deep chord within the listener's soul.
The piece opens with the piano presenting a theme in powerful chords, followed by the orchestra introducing a new theme. After this theme is repeated with variations four times, the piano re-enters with the opening theme. The middle section then unfolds with one beautiful melody after another, as the piano and orchestra echo each other in a shimmering interplay of musical colors. In the recapitulation, the orchestra restates the theme with even greater intensity and fervor. Towards the end, the orchestra suddenly halts, leaving the piano to play the opening motif alone, before the orchestra re-enters to bring the piece to a conclusive close together.
